Conference Thank you

Thank you for your participation in winter parent teacher conferences. It is always a pleasure to be able to talk in person about the most important people in our lives. That is how we feel about your student. I often share at sixth grade recognition in May that my greatest reward is being able to shake the hand of a young adult while being able to remember them as four or five year old entering on their first day. Seven years is a long time to spend together. Being a part of their journey to adulthood is a wonderful gift.

I want to remind you that next weekend is a four day holiday for Presidents Day. There will be no school for students on Friday, February 16 or Monday, February 19.

Artswave Campaign

ArtsWave is presenting 'I ♥ Arts', on February 10 as part of our new ArtsWave Days event series. Sing, move, listen and create at over ten different community arts centers and more! Try your hand at pottery or make your own outfit. Take in some a cappella gospel music or learn to hoop dance. There's something for the whole family on this one-of-a-kind Saturday! Visit ArtsWave Guide for the complete schedule.
